To whom it may concern,

Joseph Henry Hardee, operations manager for Crystal Castle, has requested that we submit this letter as proof of his position with our company, our intent to sell one of our assets, and his authority to sign the title as a representative of our company.

The asset we intend to sell is a white S-10 Chevrolet pickup. The pickup is located at Mr. Hardee's Whiteville, NC office, and Mr. Hardee has the authority to authorize and sign for the sale of assets.

I, Christopher A. Kennedy, am managing partner, and in partnership with Nicholas R. A. Steel. Attached please find a copy of our original Certificate of Assumed Name for our Partnership filed in Alamance County, NC dated June 26, 2015 as proof of ownership.

Best regards,

Christopher A. Kennedy
