

Date: August 1, 2017

To: Who It May Concern

From: Ray Burke

This is to certify that Doug Gore of Cajun Softwash traveled to Tallahassee to study with Spray Wash Exterior Cleaning, LLC. During his extensive training period we covered many fundamentals of softwashing including pump selection, maintenance, property protection, roof cleaning, plant protection and exterior building cleaning. Approximately 16 hours was spent with hands on training and an additional 15 hours was spent on phone consultations/training.

If I can further clarify this information or otherwise be of service to you, feel free to call me at 850-528-3228
